

Direct Debit and Gift Aid Form

Foundation for Paediatric Osteopathy

Osteopathic Centre for Children

With no Government funding and running costs of £1million per year, the Osteopathic Centre for Children is entirely reliant upon the generosity of the public to operate its clinic in London as well as other projects.

Setting up a Direct Debit is the most efficient way in which you can contribute to the OCC, as it will allow us to plan ahead for the future with a greater degree of certainty. With your help, we hope to increase the number of satellite clinics in the UK and expand the size of our osteopathic outreach

giftaid it

Gift Aid is a simple way to increase the value of your gift to the OCC - at no extra cost to you. If you pay tax in the UK, the OCC can reclaim the basic rate tax (25%) on your gift, or 25p for every £1 given. So, if you donate £100, it is worth £125 to the OCC.

I should like all future gifts until I notify you otherwise to be claimed for Gift Aid.

Your Full Name:

Email Address:

Telephone No.:

Home Address:

Postcode:

I wish to make a regular donation of £ _____ per month | quarter (please delete as appropriate). I understand that I can cancel this Direct Debit instruction at any time.
