

Direct Debit and Gift Aid Form

Foundation
for Paediatric
Osteopathy

Osteopathic
Centre for
Children

With no Government funding and running costs of £1million per year, the Osteopathic Centre for Children relies completely upon the generosity of people like you to operate its clinics in London as well as conducting research and training osteopaths in paediatrics.

Setting up a **Direct Debit** is the most effective way for you to contribute to the OCC, as it will allow us to plan for the future with more certainty. With your help, we hope to help more babies, children and pre/post-natal mums through our clinics.

Gift Aid is a simple way to increase the value of your gift to the OCC—at no extra cost to you. If you pay tax in the UK the OCC can reclaim the basic rate tax (25%) on your gift, so every £1 given is worth £1.25 to the charity. Gift Aid is reclaimed by the charity from the tax you pay for the current tax year. Your address is needed to identify you as a current UK taxpayer. Please let us know if your circumstances or personal details change.

Please complete the relevant parts of this form for Gift Aid and/or Direct Debit.

Thank you.
